NOT APPLICABLE (1)

Show

These checks ensure that your page is following basic search engine optimization advice. There are many additional factors Lighthouse does not score here that may affect your search ranking, including performance on Core Web Vitals. Learn more.

CRAWLING AND INDEXING

Page is blocked from indexing

To appear in search results, crawlers need access to your app.

MOBILE FRIENDLY

Tap targets are not sized appropriately — 82% appropriately sized tap targets

Wake sure your pages are mobile friendly so users don't have to pinch or zoom in order to read the content pages. Learn more.
