Target version:	P1	Spent time:	0.00 hour

Description

As investigated by Rohit, the subsection headers with skip_header = True is not being added to the processed_subsections dictionary and hence, the final annotated file. We need to make sure that changes. All subsection headers irrespective of skip_header value should be added to the final annotated file.

History

#1 - 10/20/2021 05:22 AM - Nandini Bansal

- Subject changed from Add processed subsection headers in the final processed_subsections dictionary irrespective of ignore_flag value to Add processed subsection headers in the final processed_subsections dictionary irrespective of skip_header value
