

RK-A - Task #2372

Reduce the impact of fullness ratio

05/24/2022 08:19 AM - Ram Kordale

Status:	Rejected	Start date:	05/24/2022
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	P1	Spent time:	0.00 hour
Description			
In Python 3 Doc Library Reference > Built-in Types > Sequence Types — list, tuple, range > Common Sequence Operations, make 'mutable' and 'immutable' simscore with Python 3 Doc Library Reference > Built-in Types > Sequence Types — list, tuple, range > Mutable Sequence Types and Python 3 Doc Library Reference > Built-in Types > Sequence Types — list, tuple, range > Immutable Sequence Types respectively >0.9 and <=0.92.			

History

#1 - 09/19/2022 01:33 PM - Ram Kordale

- Status changed from New to Rejected

Due to other fixes, the sim scores are as needed already.
