Description

expectation is for next pointer to point downwards at the next hyperlink.

In a page such as /document/python-book-whirlwind-tour?documentURL=10054%2Fprd%2FWhirlwindTourOfPython%2F01-how-to-run-python-code.html, 'next pointer' is consistently appearing below the next link.

For many small pages, it is pointing upwards to the bottom next pointer.
