Description 1.Remove tour/guide 2.Replace "Want a quick refresher on these terms used in the video? Click on them:" with "Want a quick refresher on terms used in this video? Click on the purple links:" 3.Need to make sure the "Want a quick refresher..." part is much more noticeable. Increase font size and check. 4.Swap 'Liked purple links' and 'usage tips' 5.In usage tips, add a page "Want Purple Links for any other Video Playlists. Please write in the Feedback section below" and make this the first page. 6.Remove bad gaps in purple links. If suggested idea does not work, move purple links to the next line and slightly indent to the right. 7.Reinstate first modal and change text to "Want a quick refresher on terms used in the video? Click on the purple links" [Note that there is a tiny difference in text]
