Description

If we do not have results for the video (such as https://www.youtube.com/watch?v=Kg1Yvry_Ydk) or if we do not support the video (e.g. https://www.youtube.com/watch?v=_OKs2MWaBcA), please display the string returned from the server only when the user clicks on the red arrow. The server will show different strings for these two types.

Continue to not show the message box between the video and comments.

Let us use the following messages:

When there is no purple link: Our AI could not find any terms in this video that have a good explanation in other videos. Of course, our AI is continuously improving.

When the video is not supported: Unfortunately, our AI has not not processed this video yet. We have scheduled it to be processed shortly.
