Description			
Something like the feedback box on the top right of https://edutestdev-240612.appspot.com/document/python-3-doc?*documentURL=10111%2Fprd%2F3%2Fc-api%2Fintro-include-File-s-2.html .			
Requirement is that it calls the feedback api that collects the "feedback text" and the page on which feedback was received. This snippet will be used on some aidigimarketing pages.
