

RK-A2 - Feature #3607

Add support for Google models to call_openai_ai

06/11/2024 01:40 PM - Ram Kordale

Status:	New	Start date:	06/11/2024
Priority:	High	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.75 hour
Target version:		Spent time:	0.00 hour
Description			
<p>If the prefix of the model is "Gemini", please perform call_openai_<step number> in https://colab.research.google.com/drive/149Llurg2xSyBHQEfExu_ey-hqr1XnMLQ. In order to do these steps, some of the earlier steps (like imports etc) in the colab will have to be done also.</p> <p>in call_openai_api_1: execute "next time actions" only in call_openai_api_2: execute "next time actions" only in call_openai_api_3,4,5: execute all in call_openai_api_6: execute all but replace "You are a helpful AI assistant. You're tasked to answer the question given below, but only based on the context provided." with prefix and replace "If you cannot find an answer ask the user to rephrase the question." with suffix. in call_openai_api_7,8,9: execute all</p>
