

RK-A2 - Bug #3632

Add background image dynamically

06/26/2024 03:58 AM - Ram Kordale

Status:	New	Start date:	06/26/2024
Priority:	High	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.50 hour
Target version:		Spent time:	0.00 hour
Description			
Make the current chat area 20% lesser.			
When theme="<theme>", get file <theme>.jpg from GCS using get-file GCF.			
Place this image where the current chat area is behind the chat area.			
That way, the image will be visible in the external 20% area (like a border).
