

RK-A2 - Task #3673

Feature # 3669 (New): Modularize the appengine application

Create a bucket_client

07/19/2024 06:26 AM - Md Shahzar

Status:	New	Start date:	07/19/2024
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Create a bucket_client inside clients folder.			
Write all the bucket related crud operation there instead of storage_bucket_helper, and call it from service
