Description

When we go to a curriculum page, we welcome users with a message which has chosen themes. Replace "Want to learn Math...We have chosen <styles> for you. If you want to change...chat window." with "Lets learn from your favorite characters from <styles>. If you want to change...chat window." or "No characters have been chosen to teach you. If you want to change...chat window".

In <styles>, add "and" before the last theme if there are multiple themes.

if user changes to a supported grade or subject, please show this message again. Please also show 'Ready for a question? Please type (y/n).'
