Please change to: - just say "Let's solve a very similar but simpler problem" and show the same problem in standard style.

Parag suggested to instead just replace "Ready for the next question? Please type (y/n)." with "Let's solve a very similar but simpler problem. Press 'y' if you're ready!". I am mostly okay with this. So, I am simplifying this ticket. Parag Patil: (a) For the 3719 scenario, please replace "Ready for the next question?" with "Let's solve a very similar but simpler problem." (b) For all cases, please replace "Please type (y/n)." with "Type 'y' if you're ready!" since there is nothing to press yet.
