

RK-A2 - Bug #3754

When calling crud_ds with op-type "cu" a new entity is getting created always.

Target version:		Spent time:	0.00 hour
Description			
Calling Crud_ds GCF with op-type: "cu" is creating a new entity always even when we just need to update a property for an entity. This is the reason when calling the save_questions_to_datastore() function in the collab we need to first fetch the existing entity before persisting.
