<b>Description</b>			
<p>3807 was supposed to take care of the ability to resume the entire colab. However, since the team thought that 'generate other choices' would resume any way, 3807 was then focused only on 'generate intermediate file'.</p> <p>Now, we know that 'generate other choices' does not resume as asked in 3807. Creating this ticket to ensure it does.</p>
